SACRAMENTAL PREPARATION

Registration Required

New for 2017-18! Preparation for First Communion and First Reconciliation will take place during on-site classes. (F.I.R.E. and second grade Catholic School students are exempt and will complete Sacramental Study books at home.) In addition, parents and students will attend four special sessions throughout the year. Attendance at these special sessions is required for the sacraments. If you anticipate that other activities, events or programs in the coming year will compete with the time necessary for sacramental preparation, perhaps you might consider postponing the preparation until such a time that allows you and your family to fully engage in the preparation process.

† **BAPTISM:**
