

Traffic Safety

When dropping off or picking up your child, please observe Traffic Safety Rules!

1. **One way traffic:**

All cars entering the parking lot during Faith Formation classes must enter at the far driveway on Holcomb.

All cars must exit at the driveway closest to the Cushing Center. The driveway from Valley Park Road (between Cushing Center and garage) will be CLOSED during Faith Formation classes.

2. **Have children exit car on sidewalk side:**

Pull up next to the curb of the sidewalk and have all children exit toward the sidewalk. Do not let children exit the car on the left side into traffic!

3. **Children cannot cross into parking lot unless accompanied by an adult:**

Children must wait on the sidewalk until the car pulls up next to the sidewalk and *then enter the car on the sidewalk side.*

4. **Adults leaving building with children must use the yellow crosswalk.**
