

## YEAR 2 Confirmation Prep 2024/25

**All you need to know may be found online : <https://stdanielclarkston.org/confirmation>**

As you register for this sacramental preparation class, God is asking your child to dedicate 36 hours of this year to prepare themselves to receive the Holy Spirit. We assume, as their parents, this preparation is important to you and you'll set an example with priorities. To assist, we'll gladly provide a religious freedom letter to coaches upon request.

If you're not able to fully set aside this time for God due to other commitments, we ask that you sign up for Confirmation preparation when there are no conflicts in your schedule.

**ATTENDANCE POLICY: THIS IS NEW** If candidate misses a class, they must attend a makeup session at St. Anne from 10:30 am to 12:30 pm the following Saturday. Homework will be given during the makeup session and is expected to be completed prior to the next class. These sessions are NOT alternate class dates that you may choose to attend; they are makeup sessions only.

Events which are not actual classes are part of Confirmation prep and count as part of your student's preparation. They are mandatory and attendance is taken.
